“ I am so sorry for the loss of this wonderful man. He was such a good friend to my father and our family. As a child, I was always welcomed into your home and treated like a princess. While the winter storm will keep me from being physically with you today, please know that I will hold you in my heart and pray for the strength to get you through this difficult time. May your sorrow soon be replaced with nothing but precious memories. I love you all.
