“ To the family of Skyler. I am so very sorry for your loss. I wish you all strength to get through this difficult time.
Still remember when the boys (very young) were collecting for a jump rope marathon. I have a picture of Ron on the refrig. that was taken at work. A friend printed it and put REWARD as a caption. Skyler wanted to know what he had done wrong. Ron Uzelac and Cathy (lot 2014)

“ *It absolutely breaks my heart to hear about Skyler. When we worked together at Steak n' Shake we bickered like brother and sister. I lost my own brother last month and hate that another family has to go through this. You're in my thoughts and prayers.*
