“ Jon my brother in combat and my friend. I hate to hear of your passing especially with you being so young and so full of life. You have so much to offer the world you were a great leader and a great friend and I am really gonna miss you. We had alot of good time together and even when things were rough you still always had a smile on your face and a positive attitude. I just wish I could be there to say good bye. I know you will be missed by everyone who knew you and just know that all of your family has my deepest sympathy and they will always be in my prayers. I know now that you are with the lord and he will keep you safe in his loving care and he will continue to bless your family as well. I am going to miss you my friend and I will never forget you. To Sara I wish you all the best in your time of grief and I know Jon will be looking down on you and keeping you safe. R.I.P Jonathan Joseph Lynn Sr
