“ To Mike Saylor & James Rickert,
I am so very sorry for the loss of Stacey. I
know she was the backbone of your office at
Arrow Electric. Every time I spoke with her,
she was pleasant and friendly. This reinforces
the fact that tomorrow is never promised and that we must tell our
loved ones everyday what they mean to us. It's true she was taken
way too soon but now she's the office angel of the heavens and
Jesus has her now. Her work on Earth is complete. I hope good
memories of Stacey get you through the rough days. Again, my
condolences to you and Stacey's family. Friends---Sheila Evans

“ One of the many memories I have is the night Stacey went into labor with her first born Austin we were coloring downstairs in her and Ami s room and she said I think my water just broke go get mom!! Susan was just as calm as could be while we were all freaking out !! Never forget it and of course we made it to the hospital .
