“ Oh Stan there are so many wonderful memories; where do I begin.. I've loved you like a brother since you were 12 years old. Wonderful memories are of you being the sweetest, kindest, funniest brother, your good manners were impeccable. The hours and days you spent at our house having pancakes you loved that my Mom made for you. I'll never forget the baseball games we played after school and on weekends. The many times you said your older brother liked me and you were tired of him hugging you in his sleep. I knew you were joking, we were just kids, but as years went by you reminded me that you wanted me to marry him so you could have a sister. How you flattered me with comments even tho you said I was too skinny. That was before you had two beautiful sisters, Jennie and Karen. You are my sisters age, she never played ball with us kids, but when you saw her you said she looked like the last rose of summer. I didn't know what that meant. ---- Army days: I saw you nearly every day coming home from work for 14 months when Gene was stationed at Ft Knox. The time we all spent made our time away from home more enjoyable. Years went quickly as we were making our way in life. Not long ago in our conversation over the phone we relived years of memories. What a great day that was... My heart aches to know I won't hear your voice again... I will think of the great company you have joined knowing you are at peace with Jesus, where there are no worries or pain... I will think the time you assend from earth that you saw Stacy with open arms and your brothers Gene and Harold and the rest of the family were wearing big smiles. Welcoming you home. Gene will say, " we've been waiting for you" and Harold will say, " I decided not to wear that lime green Tee shirt that Stan gave me a hard time about." Mom Griffith will say, " When you wanted to call me I knew what was on your mind we were expecting you." Rest in Peace, Stan you brought so much joy to our lives. Thank You!

I loved Stanley like a brother . We didn't get to keep our relationship active, but we knew how much we cared . We will always remember that smile . Keep it going in Heaven when you join your daughter Stacy and your brothers . Also your parents.

My sympathy to Sue and the family .

In Gods Love, Frances RUSSELL
