“ Len, Ms. Cathy and Ms. Thelma...

*I offer my sincerest condolences on Mr. Rice's passing. He was always so sweet and such a kind man. I have fond memories of the visits to your house (Ms. Thelma) when we'd come over with mom (Libby Hardin) from time to time.*

*May the Lord give you comfort as you say goodbye to this loved one, and may you celebrate the memories of his life and all the joyous times you had with him.*

*God bless you all.*

*Holly*

“ Bro. Len, Ms. Cathy & Mrs. Basham,

*Please know of our prayers for you all during this time and please know of our fond memories of Bro. Satnley and all the times he supported our young people here at Landmark. He'd bring his cars to the car washes we had and have them washed, even when they were clean. He was a great grand-Father to Len and will always be remembered.*
