“ *Stella was a sweet extension to our family! Her gentle nature and sweet soul were such a blessing to all who had the privilege of knowing her.*

One of our favorite memories is the trip she took with us to NYC. Stella enjoyed just being with friends and experiencing new adventures.

Her dear friend, Gloria Childress, our Momma, shared that Stella recently told her that her favorite flower was the daisy. How fitting since daisies represent innocence, hope and purity all qualities that Stella possessed.

Stella, you are loved and cherished!

“ To my sweet and beautiful sister Stella, I miss you dearly. I loved growing up with you when we were kids. A little bit of you will always live inside of me. Loved the times we bowled in the Jr. league at Cane Run 72 and Rockford Lanes scotch doubles tournaments. Stella was the best left handed bowler I have ever seen, loved too watch her bowl. I enjoyed every minute of it. The best of all memories were the phone calls we made to each other. Called everyday for a long time. Now that your in the arms of Jesus you are safe, and secure forever. I know you are in a beautiful place called heaven. What a day, glorious day that's going too be for all those who know and love the Lord. Until we meet again always and forever a brother that stands proud of knowing a sister like you.

“ Stella was such a sweet lady that was one of my mom’s best friends. I always knew my mom was safe when she took her nightly walks and Stella would keep her company over the phone. She has been apart of my life as long as I can remember. I had the opportunity to get to know Stella during an amazing vacation to NYC years ago. She was full of life and loved to have fun. You will be terribly missed, but we know you are in glorious hands. -Sereva, Gloria’s daughter.

“Stella, When I stop to count my blessings you were always on my list, of all people who had meant a lot to me. You have a way of giving from the heart. With you it seemed so naturally. I am sure there are many who have benefited from the things you have said and done but, I want the world to know that each and everyday I am blessed for having a friendship now in heaven that was made.

“Stella when I stop to count my blessings, you were always on my list of people who have meant a lot to me. You have a way of giving directly from the heart. With you it seems so natural. I'm sure there are many who have benefited from the many caring things you have said or did. I want the world to know that each and every day I'm thankful and blessed for having a friendship made in Heaven with you. - Patty Byrd

“ *Waiting for me*

My sister my best friend was waiting for me?

I heard that over and over. She didn't wait for me, God gave me that time to be with her before he took her home. He knew I needed that time. I needed more time, more years, months, days, hours, minutes.

She was my rock, my shelter, my shopping buddy, my tv program reviewer. We shared childhood, our children, our grandchildren. At almost 18 years old I shared an apartment with my sister who was 23, we were younger we shared our food, our clothes, our cars and we enjoyed life together always. From concerts with eachother to taking our sons to concerts.

There will be a void in my life, no more receiving 4-5 phone calls a day, no more lunches or dinners with as Antônio called her “Food for Free”, as a joke.

The one thing that keeps me going is knowing she will never have another surgery, be in pain or take another pill.

Thank you God for waiting for me before you took her home.

“ *Aunt Stella was always there for me. She called me every day and she would know just by my voice what kind of day I was having. I loved her like a mother and will deeply miss her. Rest in peace my sweet angel of an aunt.*
