“ I have many, many memories of Aunt Mae but my fondest memory is when Mom brought me to the farm in J-town for about a week, I think, and Aunt Mae and I sewed Barbie clothes....all week! She even made a few my size so that "Barbie" and I would match!! The laughs around the kitchen table and the "Come over here and give your Aunt Mae a kiss" will never be forgotten. George and Patsy ~ and the gang~ I send my love and sincere sympathy to you all!!

“ Aunt Mae was one of a kind. Fun to be with and loved to have a good time. I spent one summer with Aunt Mae, Uncle George, Patsy and Jr on their farm in J-Town. It was quite an experience for a city kid and a Mamma's boy. Everyone was very good to me and I learned alot.
Barbara my mother used to tell me stories about Mae and Fae and her growing up together and it usually involved boys.
Aunt Mae will be missed.
