

Stephanie Brimmer

July 8, 2017

On Saturday, July 8, 2017 heaven selected its newest angel, Stephanie Elizabeth Chasteen Brimmer. She made the transition from her earthly home into the palm of God's hand with the grace and dignity that defined her entire life. Surrounding her in love, as they held her hand, were her husband, mother, mother and father-in-law, niece, pastor, and long-time friend. Born to Donald L. and Beverly J. Bennett Chasteen, Stephanie resided in Louisville, Kentucky her entire life and was well-known for her kindness, sweet disposition, and desire to be there for anyone in need. She graduated from Pleasure Ridge Park High School as a member of the Advanced Program. As a Senior, she was honored to be included in Who's Who Among American High School Students. She then entered Bellarmine University on both Academic and Music Performance scholarships. She graduated with a Bachelor's Degree in Psychology and a minor in Music. Stephanie made use of her excellent human relation skills while working at the Center for Accessible Living - first as a Counselor, and then as the Program Manager for the Personal Care Attendant Program (PCAP). Her life was dedicated to helping others first, foremost, and always. She loved and was loved by all she touched. Stephanie's sparkling blue eyes and beautiful smile brought love and sunshine into every room she entered. Her sharp wit and sense of humor could bring down the house with a single word or glance. No one had better command of the English language. She loved and had tremendous compassion for all God's creatures - especially her beloved boxers. Stephanie

understood their unconditional love because she also loved unconditionally. Stephanie was a devout Lutheran and a lifelong member of St. Mark Lutheran Church; she so looked forward to the upcoming 500th Anniversary of the Reformation. Stephanie leaves behind to cherish her memory, her husband, Chris, her mother Bev, mother and father-in-law, Andrea and Nick Harp, and a host of devoted family members, friends, colleagues, and her beloved boxer Katie. Special thanks to Dr. Donald Miller, Dr. Jason Chesney, Sandy, Marlene, Max, and Ernie of Brown Cancer Center who cared so diligently for her throughout her journey. Donations to Stephanie's memory can be made to the Center for Accessible Living or the KY Humane Society Medical Financial Aid Fund - please indicate "to be used specifically for boxers." Visitation will be on Sunday, July 16th from 1-8 p.m. at Owen Funeral Home-Jeffersontown located at 9318 Taylorsville Rd. On Monday, visitation will take place from 9:30 -10:45 a.m. at Christ Lutheran Church located at 9212 Taylorsville Rd. The funeral service will begin at 11:00 a.m. Rev. Cindy Geisen, Stephanie's pastor and friend, will preside.

“ Stephanie is a great loving friend. She taught me how to smile through hard times, everyday I wake up I am grateful God put her in my life, at the same time I am heartbroken that she is not here in physical body, with that said she has inspired me to help other people and to help make theirs lives better anyway I can. I remember I would be in a bad mood but then I would go to talk to her and by the time we were done talking I would be smiling and laughing and I would have a better attitude and perspective on life. She was so positive no matter was situation was happening in her life and she always had words of wisdom to share. She always had a way of looking at life situations with humor and logic. I miss her terribly yes, however, I am blessed she was a part of my life for 14 years. I also want to thank her mother for raising such a inspirational person.

Bev, you and Chris are in my thoughts and prayers. In the coming weeks, months and years God eases your pain. I also want you both to know Stephanie loved you two and she is watching over you and all of her other dear family, friends, co-workers. She will be in our hearts until we meet her again in heaven.

In closing to all of the people that are family and friends of Stephanie she had a special and unique relationship with all of us and her sweet loving spirit will be with all of us until we take our last breathe in this life.. I pray for everyone that we each find peace and comfort during this time of grief and unimagivable pain.

*Sincerely,
Misti Grover*

“ *Stephanie was in my classroom during both 2nd and 3rd grade so I knew her well and never forgot her and her classmates. She always seemed so happy to be with her fellow students. Learning and life was fun for her. Her parents and little Friends seemed all she needed to get on with learning. She loved school and was excited about everything that came her way. When we met over 30 years later for lunch. She still had that glow as she shared with me the journey she was in now. That day she was all about love for husband, mother and friends. She said God is good. All our lives are richer because Stephanie Chasteen Brimmer passed our way.*

“ *The embrace I shared with Stephanie with her leaving the Center for the last time, with no words spoken left me reflecting on her , reminding me of turning your head and blinking your eyes and realizing she is gone. As if touched by Harry Potters wand she is in a different place prepared for all of us by God. With us , are the moments we all shared with Stephanie like stacks of photos in our minds. We know our loving memory of her shall never truly leave us. I know the love of Christ acting through Stephanie will bring all of us comfort and peace, especially to Chris and Beverly.*

Love and Peace to all,
