“ *I'm so sorry for your loss, I wish I was able to make the trip! I spoke with Stephanie only a few times, but the instant connection was like I knew her all my life. She was kind and loving, and I was looking forward to meeting her. Our plans, and Gods plans dont always match up. I understand why God wanted her home, she was an angel who I only knew for a short time. She helped me answer some difficult questions without prejudice or having an agenda. She spoke so highly of her family and I hope for my brother and I to meet you all, I think she would have wanted that. Many blessings and prayers for your family to adjust to a new normal peacefully.*
