“ I am very sorry to hear of Steve's passing. I knew Steve through my brother, Terry Stewart. I am four years younger than them so on the occasions that I did get to hang around with them growing up it was always special to me. I entered WKU in 1972 and at some point Steve, in uniform pulled me over as I was walking along. He had recognized me and from that time on we became friends. I just lost my wife last May so I feel particularly sensitive to your grieving.
GOD REST YOUR SOUL STEVE

“ Steve was such a memorable man. He and my brother, Steve were life-long best friends and because of that, I had the pleasure of knowing him. I never knew him to be anything but optimistic, caring, and with a love of life and family that could carry him through most anything. The world will miss him and the positive impact he had on everyone he met.
