“ I am so sorry to hear about the loss of Steve, i remember Steve from school and also as a friend. He hung out at our house in his youth, and also a one of my younger brother's friends for life. Gary lives out of town , and unable to make it back to town. He is deeply saddened by the loss of his lifelong friend. I remember the many laughs he brought around here in his younger years from the many ventures that Steve and my brother Gary had fallen prey to in thier younger years!!! What a great guy; and he'll be missed in this lifetime!!!

“ Gracie & Cathy,
It is sad to lose a loved one but a joy to know that one day we will see them again. Even though I may not be able to attend the services, just know your family is in my prayers. Steve's first words to me everytime I saw him was "Freddie's hungry!" An old inside joke from when we were kids. I loved his laugh and sense of humor, a truly wonderful cousin.

“ To the Travillian family - I am deeply sorry for your loss. I met Steve about 3 years ago when he would come pick up at my place of employment and from the day I met him he stole my heart. He is a great person who I will miss greatly. God Bless you all.
