“ Dear Kay, David & Family,

Pat and I are so sorry to hear about the passing of Sue. We have been out of town since last Monday otherwise we would have joined you in your time of sorrow. We remember your Mom and Dad well as you and David grew up on Glenrock. Your Mom lived a long life after Bennie's passing and now they are finally back together in their Eternal Reward.

Our flower garden here in Crestwood has a special rock that Bennie gave us many years ago. This is a meteorite chunk that Bennie brought home from one of his fishing trips to western KY years ago. It's one of many 'memories' placed in our garden to remember friends and relatives.

It's unfortunate that we didn't have the opportunity to talk with you and see how your families have grown. Hopefully our paths will cross in the near future.

Aunt Sue was very special to me and all the Schafer kids. We spent
a yr. in Uniontown when we were little kids while our mom was in
the hospital. Aunt Sue Helped grandma take such good care of us
and she loved us so much.
I know she had a rough time during her last days. May she rest in
peace. You are all so wonderful for taking such good care of her.

“ My deepest sympathy goes out to Kay and Tommy, and David and Terry. Aunt Sue was always had a very special place in my heart. The year we spent in Uniontown she was my best friend. We shared a bedroom together and she taught me so much. Byron and are so glad we were able to stop and visit her in April. Her eyes were sparkling and her sense of humor were fun to see. My last close visit with her was during cousins week when we set outside the casino together. I treasured that time. God bless all of you for taking such good care of her these last months. You all our an inspiration to us. I am very sorry we will not be able to give you support and a hug at the funeral but we are way up in Northern Canada, but will definitely be thinking and praying for Sue and you. Hugs, Linda and Byron
