“ Penny was a beautiful soul. I loved working for her at China Inn when I was in school at UofL. She was very good to me and always sweet to my husband and kids through the years. She made everyone she knew feel special and I know we always felt special just to know her.

“ I am very sorry to hear of Penny's passing. What a beautiful woman inside and out. I enjoyed getting to see her several times a week while I was a student at UL and loved her restaurant's food. Years later, when I would visit the restaurant on occasion, she still remembered me and greeted me like I had been coming there every week. She was a bright light in this world, that will be greatly missed. My deepest condolences to her friends and family.

“ Penny gave Margarita her first job. She was always very kind and gracious. She quickly became part of our family. She was one of the most generous people we've ever met. We will miss her smile, her stories, and all the laughs. Rest in peace friend, we will keep you in our hearts forever.
