“ To Susan's Family- I read this and wanted to share it with you all. You can shed tears that she is gone, or you can smile because she has lived. You can close your eyes and pray that she'll come back or you can open your eyes and see all she's left. Your heart can be empty because you can't see her, or you can be full of the love you shared. You can turn your back on tomorrow and live yesterday, or you can be happy for tomorrow because of yesterday. You can remember her only that she is gone, or you can cherish her memory and let it live on. You can cry and close your mind, be empty and turn your back. Or you can do what she'd want: smile, open your eyes, love and go on.
Love you all.

“ Ami, I am so sorry for the loss of your mother. Knowing you I know that she was a wonderful, loving person. It is very hard now, but keeping her memories close to you will make each and every day easier and eventually you will be able to laugh and smile when you talk about her to others. Know that you are in my prayers. Love
