“ Forever Friends

*True friends are hard to find,
but there you are; you came into my life.
You came to me in a perfect time.
I'm so happy you're a friend of mine.*

*We've been together for so long,
in a fantastic place where we belong.
We shared the mysteries of our life.
Laughter and tears are seen in our eyes.*

*You're with me and I'm with you.
You comfort me and I LOVE YOU.
A part of me becomes part of you.
True friendship I've found in you.*

*Now it's time to say goodbye;
tears of sadness keep falling in my eyes.
So please don't cry, my darling friend,
'Cause our friendship will never end.*

*Yes, it's true, we'll be apart,
'Cause I'm here and you there.
With you, my friend, I want to tell,
whatever happens, we'll be FRIENDS FOREVER!*

“ Suzie, even though we didn't always agree on everything, you were still the best mother-in-law I could have ever asked for. Your love and support will always be cherished. I wish I could have visited more often after the separation, but my emotions held me back. Despite the distance, my love for you never wavered. Now that you're at peace, I find comfort in knowing you're in a better place.

“ I'm still in shock. I've have known Susie since the 1st grade so we been friends forever. She more than a friend she's a sister. She ALWAYS been there for me. I recently retired was hoping to spend more time with her I know she's in a better place but this sucks it's not far.
