“ *A smile comes to mind when we remember all the fun times with our beautiful cousin, Suzanne. She had the widest smile and the cutest giggle amongst all of us. Time slips by us as we get older and live our own lives. But time will never erase the good times and memories of laughter, family gatherings in NY & MD. Most of all how much you remind us of the fun side of our family. Bless you and love you! Our sympathy to the family. Much Love, Vikki & Janeen*
