“ *I have so many, I guess my favorite time was at night after we put Cayden to bed and I would get in shower then we would lay down and watch American idol, or your Chicago shows, Brutus would be trying climb between us and make us rub his belly. That hour or 2 every single night for last 4+ yrs I will cherish forever. I'll also never forget our helicopter ride over the Grand Canyon and how the pilot looked really young and you wanted to see his license before we took off. Our dinner on top of the stratosphere in Vegas. Our how we drove 5 hours to eat at a restaurant we're they threw food at us. Vegas, Chicago, St. Louis, Nashville, Memphis, Florida, Indianapolis, Cincinnati, Arizona, and I'm sure I'm forgetting some over the last 4 yrs have been the best years of my life. Thank you for spending your last days with me. For that I will never be the same. The way you litterly brought the best out of everyone. Your beautiful eyes and smile I will never forget. You truly made me a better person and I could never repay you for that. No day will pass that you are not what I'm thinking of when I go to sleep and when I wake up. I will forever hold you in my heart and I will make you proud of what I accomplish. I will never leave Caydens side and will have his back like I know you did. I love you my 🌞.*
