“ Dearest Jeff and Lisa.  
I'm so very very sorry for your loss. I've been fortunate enough to know Jeff since he was a kid. He was recently showing me pictures of what was soon to be Taylors beautiful new home. You could tell how proud he was of her and how much he loved her. I feel like now all I can do is pray for this wonderful family. May God be with you and your family continuously during this time. Sincerely with love,  
Sydney Adams

“ *She was the friend that you could call anytime no matter what and she had your back. I'll never forget having dinner with your sweet family that became like my own 2 doors down, or how I always used to tell you that bird poop was on your shirt because you had UofL on and not Kentucky, or your big smile and laugh that was so contagious! I could go on and on about you and why I know all the words to every Nicki Minaj and Eminem song because you loved them so much but those are things I will cherish between the two of us forever. Thanks for being the best first friend anyone could have! See you again my sweet friend 💜*

“ A New Life

*Our loved ones don't die; they start a new life instead!  
They haven't left us; they've just gone on ahead!*

*We will miss and grieve them, while we're still alive  
But they're waiting, with open arms, for us to arrive!*

*The emptiness and pain, in our hearts, is hard to bear  
But their loving memories will comfort us there!*

*We must look to our family and friends, to lend a hand  
And help us on our journey, 'til we leave this mortal land!*

*Our love still grows for the special people we miss,  
Because we still feel the warmth of their touch or kiss!*

*So, you see, they are still with us in so many ways,  
And their love will give us strength 'til our final days!!*
