“ My deepest sympathy to the family on the loss of my cousin Teresa. I have been out of touch for many, many years. But just this weekend while sorting through my mother's belongings I came across a very sweet picture that Teresa had sent to my father, her "Uncle Dale." Then, while searching for something else I came across Teresa's obituary online. I hope that the family sees this and knows that despite the years and distance, my thoughts are with you in your loss.
