“ To Chuck and Mary ,I am truly sorry to hear about the loss of your mother....I had been searching online recently for the last year or so for any of the three of you to see how you all were doing. Know that you all are in my thoughts regularly and in my prayers always. I would love to hear from you so please feel free to contact me either email or facebook. Again I am sorry , I wish I had found out sooner so I could have shown my support and paid my respects.Love,
Christina ,Leroy and kids and Patrick, Ruthie and family
