“ Steve, Amy, Adam, Amanda, Sis Patsy, Bro Tommy, Mark: There are no words to express the sorrow, loss and hurt that I feel knowing Terri is no longer with us in body. My most heartfelt sympathy for your loss. The world will be a little less bright without her. I find comfort in knowing that she is now with Jesus and is free from the body that caused her so much pain. " To be absent from the body is to be present with the Lord." I have the hope of a reunion with her and all my loved ones that have gone before me. Be blessed. I love you Terri, you were a good friend to me, I thank God for our time together. love never dies.
