“ Terry is at peace now in heaven. He will be dearly missed. I had the pleasure of knowing him for almost 15 years and enjoyed his conversations and especially his biscuits and gravy.

Terry Anderson is my brother-in-law he married my sister Brenda Anderson. You will truly be missed Terry. He's home now and he's not in any more pain. I'm going to miss you buddy..... I we'll never forget the day that they came over to the house and he knew how bad I hated snakes so he goes in the backyard and finds a little garden snake snuck up on me and dangled it in my face and I screamed I think the whole neighborhood heard me and he ran cuz he knew how I felt about snakes, but I'll always have that memory. I laughed later on.... Lol
