Mr. Terry Burger has been in my life as nearly as long as my Baby Brother Ron Baxter. He has been through our best of times and our worst of times! The Three B's of DuPont Manual varsity fame in football were high standard play. Terry who my daughter calls to this day a big Teddy Bear, always protecting and defending! I watched as he grew into an adult and looking for that right lady! Terry if you were his friend he was loyal always! I watched as a loving friend would thru his Marriage to the love of his life, JOY. This is exactly what she was to him. The birth of his two children that he adores. He is and always will be remembered by the Baxter Family as a beloved friend and a constant in our lives from now til heaven calls and reunites us all. We speak his name always we speak JOY's name always! I pray for peace in the hurting hearts of children and family as Terry is a statue of kindness and love and will be missed by many!
