“ Terry Hilpp a man among men.....one of the best I've ever met....played a lot of softball with and against himtalked to him before my surgery, came out of my surgery and he's gone.... what a man he was....

If there were more terry's in this world it be great place again, crooked smiles, that laugh, those jokes and his craftiness of labeling people with skillet head, bucket head etc.....

My new heart bleeds for his kids and grandkids.....rusty , nichole and the rest...

Jerry , Ace, and jimmy his brothers and for the last time Ace.....I was safe!!

Terry was my friend as his family is as well

His love for family was amazing and I've never seen someone love someone as much as he loved Rhonda.....

“ So sorry to hear this. I have great memories of him playing ball of some sort in the neighborhood. He was so little, but never backed off of the challenge to us 'older' guys. He always had that smile, which reminds me of his dad by the way. The last time I saw him was at a basketball game that he was reffing. He hadn't changed a bit. Same smile. I always admired how Jerry took his little brother under his wings, and made sure he was included in all our games. It hurts looking at that picture and know he's gone. Love you my man! Also I want to thank the entire family for being such good friends to me in those days, especially Jerry. Rest in peace Terry. Ronnie Fowler
