“ I was sorry to hear of Thelma's passing. I still remember what a great singing voice she had. I am very sorry that I was unable to get to the funeral home.

“ I knew Thelma since she came to live at Eastern Star Home. I loved her sense of humor and her smile. She could make you laugh your head off at times with her quick wit, which she never lost. Through good days and bad, Thelma was impossible not to love and she will be sorely missed. To her family, everyone at ESH sends our heartfelt love and condolences. Thank you Sue Ellen and Julie for sharing your Mom with us.

“ My sympathy at the death of your mother. I was her hospice volunteer visitor. I was away when she died, and saw her last on March 26. She was a dear woman and since August I have grown so fond of her. I will miss her. May time and good memories sustain you.

Blessing,

“ Sue Ellen and family.....I am so sorry for your loss but am glad that your Mother has found her way to her TRUE home
I know she has suffered so much during her transition through this terrible Alzheimer's disease AND I know you as her family have suffered along with her. It is never easy to see our loved ones slip away to someone who doesn't remember who we are or can't follow our conversations or share our memories. Please know you will be in my thoughts and prayers.
