“ I am so sorry to hear of your passing. RIP. I will always remember you as a caring and wonderful Mother-In-Law. You were so good to me when I gave birth to Ricky. No one was there for me but you. You came over to our apartment and fixed meals and helped me after I came home from the hospital. I will always cherish the talks we had as well. I will always remember you and love you as the best Mother-in-law I ever had. Love, Gina.

*Condolences to all of my cousins and their children. I have thoughts of Aunt Thelma from my very first memories. The sleepovers, the family vacations to Florida. I remember pushing Aunt Thelma quietly farther from shore when all of a sudden a porpoise jumped over her raft. She just sat up and squealed and laughed. I never did understand why I didn't get into trouble for that. I remember working for her at Churchill Downs when she needed temporary workers for the Derby. The day was so busy, but she was such a professional. She never raised her voice and was as calm as the day was long. You will be missed.  
Sincerely, Alida Marie Cornelius, Louisville, Kentucky*
