“ To those that knew Tommy, he was a very uplifting man, he would explain to you how it is, very detailed in what type of conversation you would have with him. Tommy always knew what to say no matter how you were feeling. As a nephew of Tommy's, I would like to express my sympathy to the family & friends at this time, and to also honor a great man, a very well respected man. When I was younger, the times of going to Pat & Tommy's was always a grateful event, which included Tommy's cooking, sweet tea, the swimming pool at the old house, and most of all the great conversations we gained. He will be missed, and also a shout out to his loving sister (Pam), which loved Tommy more than life itself, they were tight, they had a bond, and no matter what was going on, they were there for each other! Tommy was the first to go, he was always ready to be the first to go, I always could tell, to all the loving siblings he had. Peace and Blessings!
