“ Tom & Sherry,
Your dad was my freshman chemistry teacher at UofL in 1966-1967. He ignited an interest and love of chemistry in me that burned throughout my careers. He remained one of my favorite teachers.

“ Tom was such an influence in my life. I loved when he gave a devotion or words of wisdom before the sermon. His voice and his words held my attention. I also did not know about Wanda, I loved her at church camp , she acted up with us 😂😂 , I also remember her playing first base on the softball team, as I was pitcher. She was a hoot . I grew up with Tommy , but knew Sherri as well , my 🙏🙏 go out to the whole family . Love and miss you all xo

“ There are never the right words for a time such as this. Tom, your father (and mother) were positive influences in my life and so many others. I pray for you and your family as you adjust to this life without him, though we all rejoice in imagining what he is doing right now!

David and I loved listening to his teachings in our Sunday School Class, The New Class, at Shively Christian. No other Sunday School teacher has ever been able to fill his shoes. He was, by far, the best. Praying for your sweet family as you mourn the loss of such a wonderful man. Pat & David Beach
