“ I have such fond memories of Tom! Of course he was my first heartbreak! Tom was such an intelligent and fun person. I still have cards he sent me and a cute ceramic bunny he gave me. My kids always laugh when I tell the stories of my first boyfriend! I will always have fond memories of Tom!
Thinking of Joyce sending prayers for you and Terri as well.

“ I considered Tom a great person and friend. Very intelligent, deep and a lot of goofy. I always had great times hanging out with him, especially Derby week when he was very generous to all that wanted to stop by his place. We've had many fun times together. Condolences to his family.

“ *My Friend Tom, one of my closest friends since I was 7 and my former roommate. We grew up together and were the three musketeers with Jeff and then the four amigos with Paul. All my formative memories involve some combination of them and I could never pick a better three people to grow up with. I am very proud and honored we have maintained friendship all our lives. Tom was an extremely intelligent, passionate, dynamic renaissance man that immersed himself in a myriad of interests, loved to debate a myriad of topics and earned more nicknames than anyone I have ever known. Tom displayed some of his kindest self playing Santa for my extended family, especially for my Aunt Dolly with down syndrome. My deepest condolences to Joyce and Teri.*

“ I’m so sorry to hear about Tom. He, Paul, Kenny, and Jeff were inseparable growing up in Cloverleaf Acres , going to grade school together and then to high school together. They stayed friends long after that - being there for one another. I will keep you and your family in my prayers and hope all your good memories will give you comfort

My sincere condolences on the loss of Tom. I have so many happy memories from growing up with your family. And many happy times with Tom as our Santa and at his house during Derby week. My thoughts and prayers go out to you both.

“ Tom was a great friend from the day we met in kindergarten. I have so many memories of Tom. We had fun growing up playing Dungeons and Dragons. We played sports together all the time in the neighborhood all the way through our twenties. We had plenty of good times at his house Derby week. We spent plenty of Sundays together watching NFL games and cheering on our fantasy football teams. We had great/funny times at Nolin Lake. I always looked forward to seeing him on my trips back to Kentucky. He died way too young. My sincere condolences to Joyce and Teri.
