

Thomas "Tommy" Ray Frank

April 30, 1963 - May 19, 2019

Thomas Ray Frank, 56, passed away peacefully in his home Sunday, May 19, 2019.

Tommy was known by many for his love of bowling, Louisville Cardinal sports, the Miami Dolphins, Churchill Downs, and most importantly being a proud Daddy and Papaw.

He is survived by his 3 daughters, Kayla Hacker (Brandon), Whitney Kilburn (Matt), and Kelsey Frank; his grandchildren Sydnei, Brooklyn, Aspyr, Grayson, Oaklyn, Dallas, and soon to be Everleigh; his loving girlfriend Crystal Meyer; his brother Rickey Frank; his nephew, and many aunts, uncles, and cousins. He was preceded in death by both his parents, Thomas and Virginia Frank.

Some of the most cherished memories his daughters have include spending time together at out of town bowling tournaments, late night bingo, summer church picnic, and days at the horse races. Tommy also enjoyed traveling with Crystal, recently returning from a cruise and a trip to see one of his granddaughters cheer in Disney World. He loved every one of his grandchildren and enjoyed spending time with them whenever he could.

Tommy grew up in Jeffersontown and made many lifelong friends throughout the years, many from his love of bowling. He also has many friends and colleagues from his career with UPS. Tommy was truly loved and will be missed by many.

“ Well Tommy Ray, you did it your way and I am thankful you were blessed to do so. We had many years together and I will cherish them forever. You were so good to my kids and I loved your kids the same. Rest in Peace, and "remember to bowl like you know how". It isn't goodbye, it is see you later, love Porkchop

Tommy, It's hard to sum up a great friendship in so few words. I am Blessed beyond words to have known you as a friend. We've bowled against each other and together for decades and those memories are forever in my mind. I am going to miss you so much. Every time I take to the lanes in the future I'll be thinking of all the good times we had. GOD Bless You and Rest in Peace my friend
