“ *The family was so sorry to hear of Tommy's passing but know he is in God's hands. Your family has come up in our conversations from time to time, as do all the others, and we have often wondered how all the family was doing. I lived away for so long I just lost touch with the Brandeis families.*

*May God keep you strong as you work through these next few days and there after.*

*Our thoughts and prayers are with you.*

*With our deepest sympathy,*

*Donna Cleaver Miller, Ann Denise Cleaver and Naomi/Toni Cleaver.*
