“ To Thelma and Tom's family: Our heartfelt sympathy goes out to you in the loss of Tom who was a great friend, a man with a big heart who had the gift of laughter. We wish we could physically be there to show our support to all of you but since we aren't able, just know we have you in our prayers and thoughts in this time of grief. I hope time will soften the loss you will feel and your wonderful memories will sustain the relationship you shared. Though no one can know what it's like for you Thelma; I hope you will be in a position if not now soon, to allow your friends to help you as I am sure all of them will want to do. May God Bless you.
