“ *I can remember 22 years ago when my father passed away, much of my mothers family including Tim made the trek up for his wake and funeral. I was amazed- people all in the house tents and motorhomes set up in the yard- family everywhere supporting my mother. The Flener boys are and were very special to my parents. My dad loved to hunt and fish with them, my mother loved them dearly. I believe my mom and Aunt Dorothy were alot alike. You will be missed here, cousin. The struggle is over...I do look forward to seeing you again!!!*

“ *Timmy was one of the kindest people I have ever know. I was married to his Uncle back in the 70's Timmy was only 2 yrs younger than me but when I was 18 and he was 16 it feel like he was just a kid. He was always smiling and having a good time. I am so thankful I had the pleasure of knowing him. Love you Timmy*

“ *Timmy was a good friend, he would give you the shirt off his back. Many times he would say "if you ever need anything I probably have it here somewhere". His laugh was very contagious, and came from the heart. He was a Shoot it straight kind of person. Russell and I loved that man, we will miss him more than any words or actions can express.*
