“ A finer person there could not have been
In this life that has all of us rushed,
His kindness towards others given freely all day,
Now, sadly, his voice has been hushed.

A Dad, A Vet, A loving mate
Devoted to those he cared for the most
Yet always sharing his God-given gifts
With those who always needed hope.

We're proud to say that we knew him as such
Before he went home to God
We, like his family, will miss him a lot
It's been our honor to have known you, Todd.
