“ *Todd Fisher was a Patriot. He loved America. He loved Kentucky. He loved his family. And we love him. Todd was easily the bravest and most courageous man I have ever known. Todd inherited his exceptional bravery from both of his grandfathers, who fought in WWII. I was privileged to have the most loyal brother. He was always there for us. Your son and grandsons need to know that you were a true man of honor. I will always be so proud of you Todd.*

*Your loving brother,
Aaron*

Condolences to all the family, Todd was a friend growing up and I know he worked hard for his family. He always brought laughter and the day was never dull around Todd.

Prayers for you all with Love, Anthony Allen

*Dear Ron and Rhonda,
I never had the opportunity to meet Todd, but I wanted to say how sorry we are for your loss. No parent should ever have to go through this, and my heart breaks for you. We love you both, and we pray that God will wrap His loving arms around not only both of you, but the rest of Todd's family as well, to comfort and strengthen all of you through today and the days to come.
With our deepest sympathy,
Donnie and Cindy*

I talked to Todd a few months before this. I had no idea until now- a lot of childhood memories with this guy.
