“ *Tonya was always so happy to see her Chicago cousins She always took us on her outings like wrestling matches, baseball games. she was kinda special to us as well. She actually found a Coke Bottle with my name on it and send me a picture on fb. Now she is up in heaven looking down on us smiling. Look at her accomplishments she was so proud of her children. grandchildren and her family. Bobby is the apple of her eye. I remember when they first got together we were kids. I miss you and love you always. My heart is breaking cause you were so young. May God Bless you always.*

Love you always Tonya

“ Tonya was always so kind and giving. She had an awesome sense of humor and was fun to be around. She and Corey would compare notes and plot against the nurses when they were both at UofL. I am so grateful to her for thinking enough of him to visit, even when she was feeling bad too. She is in good company. Now she and Corey can compare notes and plot in heaven. Thank you all for sharing her with us. Bobby, take care and just know that we are all so sorry and we are praying for you all.

“ I remember when we were going to Saint Vincent and they were so strict. I remember you would wear make up knowing they were gonna make you take it off . Or you should unbutton your top one or two buttons just so they would tell you to button it. You were always so brave and funny . I could go on and on about school and those days . They were the best. You were one of the strongest women I knew . When I first found you on Facebook and you were in the hospital you told me to call. We talked and talked. You were always there for me . I love you girl and God I'm missing you already . You were the best . Say hi to dad I know he remembers you. God has the best angel now . All them babies will keep you busy . But if you ever have a minute stop by give me a sign . My heart is broken especially for your babys and husband . But I know you aren't hurting anymore . Rest in Heaven...
