“ I was so sad to hear about my friend Tracy. She was a good friend and we had alot of good times together. She had a free and very strong spirit. I know she loved her family with all her heart, and was so proud of all of her beautiful children. I've missed her for many years since we moved to Florida, but always thought of her with a smile. She always could make me laugh or feel better when I was down, I depended on her friendship for many years when we were growing up, but as we got older and actually did some real growing up we had our busy lives and didnt keep in touch as I would have liked. I even named my daughter's middle name after her "Maree" They say friends come and go in diferent seasons of our lives and that they fill a certain need we have at that time and move on but remain forever a part of us. I believe this is true and I have faith and hope to see her dear face in Heaven one day. My heart goes out to Terry, all the kids and everyone in her family. Im so sorry for your loss. She was so young still. I will always miss & love her. Praying for youall, Love Lisa
