“ *The funniest memories I have of Tracy is US wrestling around when we were young and we would fake pile drive people I went to apologize Tracy one day and her shoe kicked me in the face and I let go of her and she laid it right on the top of her head I really did a real pile driver on her and when she caught up she said I'm okay but head was off something down into her shoulders and for years we called her no neck Booker after that Mike Jeff and Dylan I'm sorry for y'all's loss I'll keep you in my prayers*
