“ Travis, you were a very very special friend who made life better for all of us and always brought a smile to my face and made me laugh no matter how tough the day was going. You always made the world a better more positive place and I will miss you very much my friend.

Dang it, Trav, I wasn't done catching up with you about our family stuff! 😭 It seems like we just connected and now you're gone. I will never forget your message after realizing we really were related...."Hello Family!!" 🤔 I mean who drives 350 miles out of their way to meet family he's never laid eyes on before?? You did that! 😎

I'm going to make sure your grandfather, Billy James Allen, gets the proper memorial marker in Norton that he deserves. I love you, cuz....tell your dad and Nathan the Kansas family says 'hey'!! Fly high, sir! ❤️🇺🇸

Never did get to meet you OR your Dad but you were always family. Was trying to get you in the Sons of the American Revolution but now it's too late. Fly high cousin.
