“ Having a friend as brother Troy since 1980 was a blessing I hold dear indeed. That smile, (even throughout his fight with the scourge that finally overcame him), always preceded him. One of the most positive people I ever knew. So very sorry for your loss as well as this worlds loss. D.Joseph

“ The time that I mentioned my favorite candy was chocolate covered raisins. The next day I had a bag of them on my front porch from a candy store and you called and told me to look out front. Every time I eat chocolate covered raisins...I will think of you.
