“ *My dearest family,*

*Once again God has picked one of our beautiful flowers from our garden. There are no words that can be said at this time to take away the pain you are feeling. Just know that Tyler is in the hands of the Lord and even though he is no longer with us, there are great memories. I place you in the hands of a loving God. He knows what you are feeling. He too loss his son. My prayers are ever for you. I am always here for you. I am so sorry that I can not physically be with you, but I am there spiritually. Love you much. Aunt Shirley*

“ I am so saddened to hear about the loss of Tyler. I taught at Gilmore Lane Elementary where Tyler was a former student. His teachers referred to me as his 'girlfriend.' Tyler would see me down the hall, run to me, climb up my body like a tree, then give me a huge hug. He always gave the best hugs. Tyler definitely has a special place in my heart; I will never forget his beautiful smile.
