“ Our mother spent a lifetime doing for others, always, always caring for someone else. She had a code she lived by and she taught us so many things just by living her 'code'. I will miss her all the days of my life and I am forever grateful that God put us all in her life!

“ Aunt Verna was always the most thoughtful person. She always sent cards every year for Christmas. I still have them all. She was also such a lovely dresser. She cared about her appearance and I dressed so nicely. She loved her family so much. I know she will be so missed but always thought of so highly. My deepest sympathy goes out to her Husband, My Uncle Delmon and their daughters, son in laws, grandchildren and great grandchildren, and her other family members and friends. May she rest in Heavenly Peace. Love,
