“ Some of my best memories in life were made with Aunt June. I just loved being around her and knew if she was there we would have lots of laughs. The most selfless person...she would give you anything she could whether you were a stranger or friend/family. Really there was never a stranger with June she accepted everyone with open arms. She took care of her people and made everyone feel like family. I will miss everything about her...the long talks, the short talks, the jokes, the free parking lol, the good directions downtown, the amazing food, the new kitchen towels, the treats (you never left her house without a goodie bag of some kind), her laugh so genuine, the text about UofL basketball, the texts about anything...EVERY LITTLE THING, because they were never really little to me. She made me feel special all my life...I hope she knew how special she was to me. Love and miss you forever June Bug... you were truly the BEST!

“ My daughter was her neighbour. My husband and I would stop and talk to her and Jeff. She was such a nice person. Anytime my daughter (Monica) asked her to watch her dogs when we went on vacation she never hesitated to say yes. We will miss seeing her on the porch.

June was such a kind hearted lady! I absolutely loved living next door to her. She was always there if needed or just to sit and talk! My prayers and hugs go out to her family during this time.
