“ Ben, Joe and families; So hard to give up our mothers, but heaven has gained another angel. I can see and hear all her siblings; Uncle Chester, Uncle Freddie, Uncle Minor, Aunt Anna Mae and our mother, having such a joyful time. What a wonderful aunt she was and so greatly loved by my family. I can still hear her laughter as we all gathered at the Wilson home and they all exchanged stories, each one trying to out do the other. Hold tight to your memories and when you have a bad day think of them and smile.

“ Joe, Ben and family: It saddens me so to know the last of that wonderful generation of family has passed on. I know that Aunt Lucille is with God now, ever faithful in her trust of His grace. She was such a sweet and fun Aunt. We all have such fond memories of her visits at Mama & Daddy's. It is hard to lose your mother, but the pain does pass as time goes on. Remember the good times...all that laughter! With love and heartfelt sympathy. Sandra & Emil

“ Sharing in the homegoing of your mother, our aunt. So, now we have seen the end of a fantastic family generation that takes us into the next era. Sure did enjoy life and have a lot of fun, in spite of the trials that life brought. She was/is greatly loved by us and we will miss her for a time; but another family reunion is in the works! Plan to meet you there.
