“ *I am so sadden by the news of Virginia's passing. I am sorry that she suffered in the later days. V was my childhood playmate and I loved her as well as her sisters. I am sure her family is as nice as she was and I pray that God will give you peace and comfort by the loving memories you have.*

I am sorry that our lives went on and we lost contact throughout the years. It appears she did well and had a wonderful family. I am so pleased by this. GOD Bless, Brenda Gail

“ *Dear Mary Ann and Family,
My heart is sad for our loss of Jen. She was a sweet Friend with a wonderful sense of humor.
She was super at her Loss Prevention job.
Knowing she's healed and rejoicing with loved ones that have gone before, is somewhat comforting to those who loved her and called her Friend.
Praying you feel God's peace and comfort as you go through the days ahead...remembering all the wonderful times you spent together.
Keeping you and the Family in our prayers.
Much love and deepest sympathy.
