“ Larry, Al and Kendrea,
Jenny was part of our family, as all of you are too! She will be missed and it will be a fine day in Heaven when we are all there together again with all those we have loved and lost. Nothing will ever heal the pain from losing her but time will make it easier and the acceptance that she is in a better place, happy and healthy is what you have to cling to until you can be together again. You have your memories of her, we all do and no one can take those away! I feel so blessed to have known her, sweet Jenny! My thoughts and prayers are with all of you and the rest of her family and friends.

With love,
Steph
