“ Aaron, I was saddened to hear of the passing of Kathy. I taught at U of L for 31 years and worked closely with your mother when she and I managed the newly formed Department of Teaching and Learning. She was a hard-working, well-liked person who did a tremendous job helping administer the Elementary Department as well as the newly merged one. I have many fond memories of your mother and know you will cherish her memories forever. I babysit grandkids on Tuesdays and my son didn't get in from work until after 6 p.m. so I didn't get to attend her service. My thoughts and prayers are with you and your family. (You might not remember doing an independent study with me and completed a project with the Marketing Program at Central).

“ Kathy, I can only think of all the MEMORIES  
we had as Aaron and Tony were growing up!  
Those days we were always together and  
laughing at them and with them. I was so ever  
Blessed to have you and Aaron in OUR  
LIVES! We put a fence in between our yards so it would be easier to  
come visit and for the guys too! I will never forget the time Tony  
broke Aaron's nose playing basketball and your phone call that  
Aaron had pinched Tony's cheek and bruised it. You and I had lots  
of fun times together and they will always be cherished  
MEMORIES! GOD HAS YOU IN HIS HANDS NOW! GOD BLESS  
AARON AND HIS FAMILY!
