“ Virginia was a very special person to me and a friend I will cherish always. I hope the memories keep her dear to each of our hearts as they will mine.

She was a very loving person with always a kind word and a smile. This is a very sad time for those closest to her but may they find some comfort in knowing how much they were loved by her.

“ I never called you Virginia, only Mamaw when I would visit you with Meliah- you were always so sweet and generous to me. I can still hear your sweet voice just as if it were yesterday. You will be greatly missed.

Marlene, Meliah, and Greg- my prayers are with you all! Love and Hugs!

“ It is hard to say goodbye to your best friend but here goes. I've known Virginia for about 25 or 30 years. Met her in a prayer group and we clicked right away. We shared many good times and spent many hours just talking about old times and laughing like two school girls. How I will miss her but we will meet again. My heartfelt sympathies to her daughter, and her son and the rest of her family. I pray you find comfort in the fact that she wouldn't come back even if she could, she is in her eternal home now and forever more. God bless her sweet soul.
