“ *I remember Dick fondly, used to come out to Rineyville farm to help with tobacco, and to go hunting, back in the 50's and 60's. Usually with either his brother Sam or with Noel Carroll for those hunting trips. Later on, he visited often with my Dad, Hubert Brooks down on Brier Creek Road in Edmonson County, very hear Nolin Lake. I was present many times for those visits. He was always laughing and had stories to tell, reliving "old times" and such. He will be sadly missed. He always called me Donald Wayne, as many of he family have done along the way.*
